

Welcome to the 21-22 school year! The Behind Scenes Club is the parent group that supports theater productions during the year. This group is similar to the PTO but specifically supports the theater department.

We assist productions with the playbills, advertising, selling tickets, hugs (cast and crew gifts) and concessions, and the student favorite- providing food during rehearsals and productions for the larger shows. We also provide support for the smaller class productions, Thespian Conference and other class productions as the teachers request specific assistance with projects depending on the show.

We provide scholarships to seniors. Traditionally we are able to provide scholarships to theater and non theater majors for students that have been active in Carmel High School theater program. In 2020 we awarded 4, one - thousand dollar scholarships. In 2021 we gave out two - thousand dollar scholarships. We have a goal of raising 5 thousand dollars this year.

This year we would like to provide the opportunity for students to learn about various jobs available in the theater for acting and for backstage.

**In order for these goals to be accomplished your help is needed!**

Your membership, support and donations are vital to provide a strong support system for the theater department. Please sign up to join the Behind the Scenes Club as a paid supporter or a fan. A paid supporter family membership is \$20.00. You can pay using Venmo, the QR code is on the form, send your name, your email and student's name in the note section. A payment by check can be mailed to address on the form.

As a THANK YOU for being a paid supporter, your name will be printed in the programs, you will receive 5 free Hugs to use for this year's performances, and a BTSC sticker to show your support!

If you want to be a fan, please provide your email and student's name to stay in the loop of Behind the Scenes Club information. This can help you stay informed about upcoming events even when your student is not involved in a show.

The teachers are not able to continually send mass emails to student's parents for the club so this is the best way to stay informed.

You can also follow us on Facebook at CarmelBTSC. This can help you stay informed about upcoming events even when your student is not involved in a show.

See you at the show!
